

THE ART OF PRESENTATION

Willow

woven white wonderful

Exuding style and hidden strength, the Willow collection is perfect for all fine dining and banqueting environments. Offering multi-level presentations through a series of wide rim gourmet plates and a new modern mid rim plate, Willow provides an elevated presentation that will withstand the demands of a robust commercial environment. Stylish and pure glass pieces in clear and smoked offer further dimensions and presentation opportunities for fine dining. The addition of two rich colour glazes, which create a jewel like effect add further beauty to this range. The glazes highlight and pick up the beauty of the embossed design, and elevate the Willow presentation of key signature items.

In 2017 the Willow collection was awarded the sought-after Red Dot seal of approval for outstanding design.
