

# Charcoal Dapple

THE ART OF PRESENTATION

***strong confident statement***

Charcoal Dapple adds a new dynamic within this established and successful family. This black reactive decoration creates a strong and confident statement, giving chef a fantastic platform, in which the food presentation is amplified. Charcoal Dapple is perfectly positioned to work with all other decorated and white tableware ranges which provides flexibility to bring through seasonal and menu changes. Careful consideration has been given to ensure all plating options are complimented with a beverage offer.
