myPRO & myPROzip ranges

- ▶ **Superb capacity and performance:**
 - Process all laundry in one go thanks to generous 8 kg capacity
 - Best wash results and garment care due to unique professional drum with 4.5 mm holes for efficient evacuation of debris (standard 2.2 mm)
 - Time and cost savings in drying with moisture extraction at 1,400 rpm (washer)
- ▶ **Outstanding flexibility and garment care:**
 - Meet every need with dedicated programs
 - Prevent over-drying of garments and save time and energy with professional Residual Moisture Control technology (dryer)
 - Flexible installation thanks to smart drain pump configuration (washer)
 - Greater peace of mind: optional direct connection from condensed water tank to drain for instant discharge (dryer)
- ▶ **Triple the lifetime¹:**
 - Extra long lifetime due to more durable machine construction with professional components
 - Less vibration thanks to highly effective shock absorbance system and optimally balanced components and panelling (washer)
 - Less vibration and noise: below 70 dB based on specially designed transmission system, condenser and panelling (dryer)
 - No chemical corrosion: stainless steel front and top
